Item 1.01. Entry into a Material Definitive Agreement.

Underwriting Agreement. On May 4, 2026, Renasant Corporation (the “Company”) entered into an underwriting agreement (the “Underwriting Agreement”) with Keefe, Bruyette & Woods, Inc. and Stephens Inc., as representatives of the underwriters listed on Schedule I to the Underwriting Agreement, for the issuance and sale of \$300 million aggregate principal amount of its 6.25% Fixed-to-Floating Rate Subordinated Notes due 2036 (the “Notes”), at a public offering price equal to 100% of the aggregate principal amount of the Notes.

The offering of the Notes closed on May 7, 2026. The net proceeds from the sale of the Notes to the Company were approximately \$295.7 million, after deducting underwriting discounts and estimated expenses. The Company intends to use the net proceeds from the offering of the Notes for general corporate purposes, including the potential redemption of \$40 million aggregate principal amount outstanding of its 5.50% Fixed-to-Floating Rate Subordinated Notes due September 1, 2031.

The Notes were sold pursuant to the Company’s registration statement on Form S-3ASR (File No. 333-284828) (the “Registration Statement”) filed with the Securities and Exchange Commission (the “SEC”) on February 11, 2025, and were offered to the public pursuant to a prospectus supplement, dated May 4, 2026, supplementing the prospectus, dated February 11, 2025, which is contained in and forms a part of the Registration Statement.

The Underwriting Agreement contains representations, warranties and covenants customary in agreements of this type. These representations, warranties and covenants are not representations of factual information to investors about the Company or its subsidiaries, and the sale of the Notes is not a representation that there has not been any change in the condition of the Company. The Company also agreed to indemnify the underwriters against certain liabilities arising out of or in connection with the sale of the Notes.

The foregoing description of the Underwriting Agreement is not complete and is qualified in its entirety by reference to the complete text of the Underwriting Agreement, a copy of which is attached as Exhibit 1.1 to this Current Report on Form 8-K and incorporated herein by reference.

Indenture and Notes. The Notes have been issued under a Subordinated Indenture dated as of August 22, 2016 (the “Base Indenture”) by and between the Company and Wilmington Trust, National Association, as trustee (the “Trustee”), as supplemented by that certain Fifth Supplemental Indenture dated as of May 7, 2026, between the Company and the Trustee (the “Fifth Supplemental Indenture” and together with the Base Indenture, as previously supplemented, the “Indenture”). The terms of the Notes are set forth in, and such Notes are governed by, the Base Indenture and the Fifth Supplemental Indenture.

The Notes will mature on June 1, 2036. From and including May 7, 2026, to but excluding June 1, 2031 or the date of earlier redemption, the Company will pay interest on the Notes semi-annually in arrears on each June 1 and December 1 commencing December 1, 2026, at a fixed annual interest rate equal to 6.25%. From and including June 1, 2031, to, but excluding the maturity date or earlier redemption date of the Notes, the Company will pay interest on the Notes at a floating per annum rate equal to a Benchmark rate (which is expected to be Three-Month Term SOFR) (each as defined in the Indenture), plus 245 basis points, payable quarterly in arrears on each March 1, June 1, September 1 and December 1 commencing on September 1, 2031; provided, however, that in the event the Benchmark rate is less than zero, the Benchmark rate shall be deemed to be zero.

The Company may, beginning with the interest payment date of June 1, 2031, and on any interest payment date thereafter, redeem the Notes, in whole or in part, from time to time, subject to obtaining the prior approval of the Board of Governors of the Federal Reserve System (the “Federal Reserve”) (or, as and if applicable, the rules of any appropriate successor bank regulatory agency) to the extent such approval is then required under the rules of the Federal Reserve (or such successor bank regulatory agency), at a redemption price equal to 100% of the principal amount of the Notes being redeemed plus accrued and unpaid interest to, but excluding, the date of redemption. The Company may also redeem the Notes at any time prior to their maturity, including prior to June 1, 2031, in whole, but not in part, subject to obtaining the prior approval of the Federal Reserve (or, as and if applicable, the rules of any appropriate successor bank regulatory agency) to the extent such approval is then required under rules of the Federal

Reserve (or such successor bank regulatory agency), if (i) a change or prospective change in law occurs that could prevent us from deducting interest payable on the Notes for U.S. federal income tax purposes, (ii) a subsequent event occurs that could preclude the Notes from being recognized as Tier 2 Capital for regulatory capital purposes, or (iii) the Company is required to register as an investment company under the Investment Company Act of 1940, as amended, in each case, at a redemption price equal to 100% of the principal amount of the Notes plus any accrued and unpaid interest to, but excluding, the redemption date. There is no sinking fund for the benefit of the Notes, and the Notes are not convertible into, or exchangeable for, equity securities, other securities, or assets or property of the Company or its subsidiaries.

There is no automatic acceleration, or right of acceleration, in the case of default in the payment of principal of, premium, if any, or interest on the Notes, or in the performance of any of the Company's other obligations under the Notes or the Indenture. The Indenture provides that holders of the Notes may accelerate payment of indebtedness only upon the Company's or Renasant Bank's insolvency, receivership, conservatorship, reorganization or similar proceedings, or if there is a liquidation or winding up of the Company's business.

The Notes are the unsecured, subordinated obligations of the Company and rank (i) junior in right of payment and upon the Company's liquidation to any of the Company's existing and all future Senior Indebtedness (as defined in the Indenture); (ii) junior in right of payment and upon the Company's liquidation to any of the Company's existing and all of its future general creditors; (iii) equal in right of payment and upon the Company's liquidation with any of the Company's existing and all of its future indebtedness the terms of which provide that such indebtedness ranks equally with the Notes and (iv) senior in right of payment and upon the Company's liquidation to any of the Company's existing junior subordinated debentures and any of its future indebtedness the terms of which provide that such indebtedness ranks junior in right of payment to note indebtedness such as the Notes. The Notes are effectively subordinated to the Company's future secured indebtedness to the extent of the value of the collateral securing such indebtedness, and structurally subordinated to the existing and future indebtedness of the Company's subsidiaries, including, without limitation, depositors of Renasant Bank, liabilities to general creditors and liabilities arising in the ordinary course of business or otherwise.

The foregoing descriptions of the Base Indenture, the Fifth Supplemental Indenture and the Notes are not complete and are each qualified in their entirety by reference to the complete text of the Fifth Supplemental Indenture and the form of Note, copies of which are attached as Exhibits 4.2 and 4.3, respectively, to this Current Report on Form 8-K and incorporated herein by reference and the Base Indenture, which is incorporated herein by reference as Exhibit 4.1 hereto.

Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth in Item 1.01 is incorporated herein by reference.

Item 7.01. Regulation FD Disclosure.

On May 4, 2026, the Company issued a press release announcing the pricing of its offering of the Notes, which is furnished hereto as Exhibit 99.1.

This Current Report on Form 8-K, including the Exhibits hereto, shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of the Notes, in any state or jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of such jurisdiction. CAUTIONARY NOTE REGARDING FORWARD-LOOKING STATEMENTS:

This report, including the exhibits furnished herewith, may contain, or incorporate by reference, statements about the Company that constitute “forward-looking statements” within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. Statements preceded by, followed by or that otherwise include the words “believes,” “expects,” “projects,” “anticipates,” “intends,” “estimates,” “plans,” “potential,” “focus,” “possible,” “may increase,” “may fluctuate,” “will likely result,” or similar expressions, or future or conditional verbs such as “will,” “should,” “would” and “could,” are generally forward-looking in nature and not historical facts. Forward-looking statements include information about the Company’s future financial performance, business strategy, projected plans and objectives and are based on the current beliefs and expectations of management. The Company’s management believes these forward-looking statements are reasonable, but they are all inherently subject to significant business, economic and competitive risks and uncertainties, many of which are beyond the Company’s control. In addition, these forward-looking statements are subject to assumptions with respect to future business strategies and decisions that are subject to change. Actual results may differ from those indicated or implied in the forward-looking statements, and such differences may be material. Prospective investors are cautioned that any such forward-looking statements are not guarantees of future performance and involve risks and uncertainties and, accordingly, investors should not place undue reliance on these forward-looking statements, which speak only as of the date they are made.

Important factors currently known to management that could cause our actual results to differ materially from those in forward-looking statements include the following: (i) our ability to efficiently integrate acquisitions into our operations, retain the customers of these businesses, grow the acquired operations and realize the cost savings expected from an acquisition to the extent and in the timeframe anticipated by management (including the possibility that such cost savings will not be realized when expected, or at all, as a result of the impact of, or challenges arising from, the integration of the acquired assets and assumed liabilities into the Company, potential adverse reactions or changes to business or employee relationships, or as a result of other unexpected factors or events); (ii) potential exposure to unknown or contingent risks and liabilities we have acquired or may acquire; (iii) the effect of economic conditions and interest rates on a national, regional or international basis; (iv) timing and success of the implementation of changes in operations to achieve enhanced earnings or effect cost savings; (v) our ability to remediate the material weakness in the Company’s internal control over financial reporting identified in our Annual Report on Form 10-K.

for the fiscal year ended December 1, 2025; (vi) competitive pressures in the consumer finance, commercial finance, financial services, asset management, retail banking, factoring, mortgage lending and auto lending industries; (vii) the financial resources of, and products available from, competitors; (viii) changes in laws and regulations as well as changes in accounting standards; (ix) changes in governmental and regulatory policy, whether applicable specifically to financial institutions or impacting the United States generally (such as, for example, changes in trade policy); (x) changes in the securities and foreign exchange markets; (xi) the Company's potential growth, including its entrance or expansion into new markets, and the need for sufficient capital to support that growth; (xii) changes in the quality or composition of the Company's loan or investment portfolios, including adverse developments in borrower industries or in the repayment ability of individual borrowers or issuers of investment securities, or the impact of interest rates on the value of our investment portfolio; (xiii) an insufficient allowance for credit losses as a result of inaccurate assumptions; (xiv) changes in the sources and costs of the capital we use to make loans and otherwise fund our operations, due to deposit outflows, changes in the mix of deposits and the cost and availability of borrowings; (xv) general economic, market or business conditions, including the impact of inflation; (xvi) changes in demand for loan and deposit products and other financial services; (xvii) concentrations of deposit or credit exposure; (xviii) changes or the lack of changes in interest rates, yield curves and interest rate spread relationships; (xix) losses resulting from fraudulent activity, including loan and deposit fraud and social engineering attacks targeting our customers, employees and third party vendors; (xx) increased cybersecurity risk, including potential network breaches, business disruptions or financial losses, including as a result of sophisticated attacks using artificial intelligence ("AI") and similar tools; (xxi) civil unrest, natural disasters, epidemics and other catastrophic events in or near the Company's geographic area; (xxii) geopolitical conditions, including acts or threats of terrorism and actions taken by the United States or other governments in response to acts or threats of terrorism and/or military conflicts, which could impact business and economic conditions in the United States and abroad; (xxiii) the impact, extent and timing of technological changes, including the rapid development of AI technologies; and (xxiv) other circumstances, many of which are beyond management's control.

The Company undertakes no obligation, and specifically disclaims any obligation, to update or revise forward-looking statements, whether as a result of new information or to reflect changed assumptions, the occurrence of unanticipated events or changes to future operating results over time, except as required by federal securities laws.

Ladies and Gentlemen:

Renasant Corporation, a Mississippi corporation (the “**Company**”), confirms its agreement (the “**Agreement**”) with Keefe, Bruyette & Woods, Inc. (“**KBW**”) and Stephens Inc. (“**Stephens**”) and each of the other Underwriters named in Schedule I hereto (collectively, the “**Underwriters**,” which term shall also include any underwriter substituted as provided pursuant to Section 10 hereof), for whom KBW and Stephens are acting as Representatives (in such capacity, the “**Representatives**”), with respect to the issue and sale by the Company and the purchase by the Underwriters, acting severally and not jointly, of \$300,000,000 aggregate principal amount of its 6.25% Fixed to Floating Rate Subordinated Notes due 2036 (the “**Securities**”). The Securities will be issued in book-entry only form to Cede & Co. as nominee of The Depository Trust Company (“**DTC**”) pursuant to the Letter of Representations, to be dated as of the Closing Time (as defined in Section 2 hereof), between the Company and DTC.

The Securities will be issued pursuant to the Subordinated Indenture between the Company and Wilmington Trust, National Association, as Trustee (the “**Trustee**”), dated as of August 22, 2016, as supplemented by a supplemental indenture thereto to be dated as of May 7, 2026, between the Company and the Trustee (collectively, the “**Indenture**”). The Indenture and this Agreement are hereinafter referred to collectively as the “**Operative Documents**.”

The Company has filed with the Securities and Exchange Commission (the “**Commission**”) an “automatic shelf registration statement” (as defined in Rule 405 of the rules and regulations (the “**1933 Act Regulations**”) of the Commission under the Securities Act of 1933, as amended (the “**1933 Act**”) on Form S-3 (No. 333-284828) covering the public offering and sale from time to time of certain securities of the Company, including the Securities, under the 1933 Act and the 1933 Act Regulations, which registration statement, and any post-effective amendment thereto, became effective upon filing under Rule 462(e) of the 1933 Act Regulations (“**Rule 462(e)**”). Such registration statement, at any given time, including any amendments thereto existing at such time, the exhibits and any schedules thereto on file with the Commission at such time, the information incorporated by reference therein pursuant to Item 12 of Form S-3 under the 1933 Act at such time and the information otherwise deemed to be a part thereof or included therein at such time by the 1933 Act Regulations, is referred to herein as the “**Registration Statement**.” Promptly after execution and delivery of this Agreement, the Company will prepare and file a prospectus supplement with respect to the Securities with the Commission in accordance with the provisions of Rule 430B of the 1933 Act Regulations (“**Rule 430B**”) and Rule 424(b) of the 1933 Act Regulations (“**Rule 424(b)**”). Any information included in each such prospectus supplement that was omitted from the Registration Statement or any post-effective amendment thereto that is deemed to be part thereof and included therein pursuant to Rule 430B is referred to herein as the “**Rule 430B Information**.” The final prospectus and each prospectus supplement relating to the Securities, in the form first furnished to the Underwriters for use in connection with the offering and sale of the Securities, including the documents incorporated by reference or deemed to be incorporated by reference therein pursuant to Item 12 of Form S-3, in the form first furnished to the Underwriters for use in connection with the offering of the Securities, are collectively referred to herein as the “**Prospectus**.” Each prospectus and related prospectus supplement used in connection with the offering of the Securities that omitted the Rule 430B Information is herein called a “**preliminary prospectus**.” For purposes of this Agreement, all references to the Registration Statement, the Prospectus, any preliminary prospectus or any Issuer Free Writing Prospectus or any amendment or supplement to any of the foregoing shall be deemed to include the copy filed with the Commission pursuant to its Electronic Data Gathering, Analysis and Retrieval system (or any successor system) (“**EDGAR**”).

All references in this Agreement to financial statements and schedules and other information which is “contained,” “included” or “stated” (or other references of like import) in the Registration Statement, the Prospectus or any preliminary prospectus shall be deemed to include all such financial statements and schedules and other information which are incorporated by reference in or otherwise deemed by the 1933 Act Regulations to be a part of or included in the Registration Statement, the Prospectus or any preliminary prospectus, as the case may be, prior to the Applicable Time (as defined in Section 1(ii) hereof); and all references in this Agreement to amendments or supplements to the Registration Statement, the Prospectus or any preliminary prospectus shall be deemed to include the filing of any document under the Securities Exchange Act of 1934, as amended (the “**1934 Act**”), and the rules and regulations promulgated thereunder (the “**1934 Act Regulations**”) which is incorporated by reference in or otherwise deemed by the 1933 Act Regulations to be a part of or included in the Registration Statement, the Prospectus or any preliminary prospectus, as the case may be, after the Applicable Time.

In all dealings hereunder, the Representatives shall act on behalf of each of the Underwriters, and the parties hereto shall be entitled to act and rely upon any statement, request, notice or agreement on behalf of any Underwriter made or given by the Representatives.

SECTION 1. Representations and Warranties.

The Company represents and warrants to each of the Underwriters as of the date hereof, as of the Applicable Time and as of the Closing Time, and agrees with each of the Underwriters, as follows:

(i) Status as Well Known Seasoned Issuer. (1) At the time of filing the Registration Statement, (2) at the time of each subsequent amendment to the Registration Statement for the purposes of complying with Section 10(a)(3) of the 1933 Act (whether such amendment was by post-effective amendment, incorporated report filed pursuant to Section 13 or 15(d) of the 1934 Act or form of prospectus), (3) at the time the Company or any person acting on its behalf (within the meaning, for this subsection only, of Rule 163(c) of the 1933 Act Regulations) made any offer relating to the Securities in reliance on the exemption of Rule 163 of the 1933 Act Regulations (“**Rule 163**”) and (4) at the Applicable Time, the Company was and is a “well-known seasoned issuer” (as defined in Rule 405), including not having been and not being an “ineligible issuer” (as defined in Rule 405). The Registration Statement is an “automatic shelf registration statement” (as defined in Rule 405), and the Securities, as of the date of their registration on the Registration Statement, were, and, as of the date hereof and as of the Closing Time, remain, eligible for registration by the Company on an “automatic shelf registration statement” under Rule 405. The Company has not received from the Commission any notice pursuant to Rule 401(g)(2) of the 1933 Act Regulations objecting to the use of the automatic shelf registration statement form.

At the earliest time that the Company or another offering participant made a bona fide offer (within the meaning of Rule 164(h)(2) of the 1933 Act Regulations) of the Securities, the Company was not nor is an “ineligible issuer” (as defined in Rule 405).

(ii) Registration Statement, Prospectus and Disclosure Package at Time of Sale. The Registration Statement became effective upon filing under Rule 462(e) on February 11, 2025 and any post-effective amendment to the Registration Statement also become effective upon filing under Rule 462(e). No stop order suspending the effectiveness of the Registration Statement has been issued under the 1933 Act and no proceedings for that purpose have been instituted or are pending or, to the knowledge of the Company, are contemplated by the Commission, and any request on the part of the Commission for additional information has been complied with.

Any offer that is a written communication relating to the Securities made by the Company or any person acting on its behalf (within the meaning, for this subsection only, of Rule 163(c) of the 1933 Act Regulations) prior to the filing of the Registration Statement or any amendment thereto has been filed with the Commission in accordance with the exemption provided by Rule 163 and otherwise complied with the requirements of Rule 163, including, without limitation, the legending requirement, to qualify such offer for the exemption from Section 5(c) of the 1933 Act provided by Rule 163.

At the time the Registration Statement became effective, at each deemed effective date with respect to the Securities pursuant to Rule 430B(f)(2) of the 1933 Act Regulations and at the Closing Time, the Registration Statement complied, complies and will comply in all material respects with the requirements of the 1933 Act, the 1933 Act Regulations, the Trust Indenture Act of 1939, as amended (the “**1939 Act**”), and the rules and regulations of the Commission under the 1939 Act (the “**1939 Act Regulations**”), and did not, does not and will not contain an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements

therein, in the light of the circumstances under which they were made, not misleading. Neither the Prospectus nor any amendment or supplement thereto, when read together with the Prospectus, at the time the Prospectus or any such amendment or supplement was issued or at the Closing Time, included or will include an untrue statement of a material fact or omitted or will omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. Each preliminary prospectus and the Prospectus complied, when filed with the Commission, in all material respects with the 1933 Act, 1933 Act Regulations and the 1939 Act, and each preliminary prospectus and the Prospectus delivered to the Underwriters for use in connection with the offering of the Securities was identical to the electronically transmitted copies thereof filed with the Commission pursuant to EDGAR, except to the extent permitted by Regulation S-T.

As of the Applicable Time, any Issuer General Use Free Writing Prospectus (as defined below) and the Statutory Prospectus (as defined below), when considered together (collectively, as of the Applicable Time, the “**Disclosure Package**”), did not include any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

As used in this subsection and elsewhere in this Agreement:

“**Applicable Time**” means 2:32 p.m. (New York City time) on May 4, 2026, or such other time as agreed by the Company and the Representatives.

“**Statutory Prospectus**” as of any time means the applicable prospectus relating to the Securities that is, immediately prior to that time, either included in the Registration Statement or deemed to be a part thereof, including any document incorporated therein by reference immediately prior to that time and any preliminary prospectus deemed to be a part thereof.

“**Issuer Free Writing Prospectus**” means any “issuer free writing prospectus” (as defined in clause (h)(1) of Rule 433 of the 1933 Act Regulations (“**Rule 433**”)) relating to the Securities that (i) is required to be filed with the Commission by the Company, (ii) is a “road show that is a written communication” within the meaning of Rule 433(d)(8)(i), whether or not required to be filed with the Commission, or (iii) is exempt from filing pursuant to Rule 433(d)(5)(i) because it contains a description of the Securities or of the offering that does not reflect the final terms, in each case in the form filed or required to be filed with the Commission or, if not required to be filed, in the form retained in the records of the Company pursuant to Rule 433(g).

“**Issuer General Use Free Writing Prospectus**” means any Issuer Free Writing Prospectus that is intended for general distribution to prospective investors (other than a “bona fide electronic road show,” as defined in Rule 433), as evidenced by its being specified in Schedule II hereto.

Any Issuer Free Writing Prospectus, as of its issue date and at all subsequent times through the completion of the offer and sale of the Securities or until any earlier date that the Company notified or notifies the Representatives in writing, did not, does not and will not include any information that conflicted, conflicts or will conflict with the information contained in the Registration Statement or the Prospectus, including any document incorporated therein by reference and any preliminary or other prospectus deemed to be a part thereof that has not been superseded or modified.

The representations and warranties in this subsection shall not apply to statements in or omissions from the Registration Statement or the Prospectus made in reliance upon and in conformity with any Underwriters' Information (as defined in Section 6(a)(iii), hereof).

(iii) Incorporated Documents. The documents incorporated or deemed to be incorporated by reference in the preliminary prospectus or the Prospectus, when read together with the other information in the preliminary prospectus or the Prospectus, at the time the Registration Statement became effective or such documents were filed with the Commission, as the case may be, did not, and at the earlier of the time the Prospectus was first used and the first "time of sale," within the meaning of Rule 159 under the 1933 Act Regulations, of Securities in this offering and at the Closing Time will not, include an untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading. The documents incorporated or deemed to be incorporated by reference in the Prospectus, when filed with the Commission, conformed or will conform, as the case may be, in all material respects to the applicable requirements of the 1934 Act and the 1934 Act Regulations. There are no material contracts or documents which are required to be described in the Registration Statement, the Disclosure Package, the Prospectus or the documents incorporated by reference therein or required to be filed as exhibits thereto which have not been so properly described or filed as required.

(iv) Independent Accountants. BDO USA, P.C. (formerly HORNE LLP), the accounting firm who certified the financial statements and supporting schedules of the Company included in the Registration Statement and the Prospectus, is an independent registered public accounting firm as required by the 1933 Act and the 1933 Act Regulations and the rules of the Public Company Accounting Oversight Board.

(v) Financial Statements. The consolidated historical financial statements, together with the related schedules and notes, included in the preliminary prospectus, the Prospectus, the Disclosure Package and the Registration Statement comply with the requirements of the 1933 Act and present fairly, in all material respects, the financial position of the Company and its consolidated subsidiaries at the dates indicated, and the statements of income, comprehensive income, changes in shareholders' equity and cash flows of the Company and its consolidated subsidiaries for the periods specified. Said financial statements have been prepared in conformity with generally accepted accounting principles in the United States ("GAAP") applied on a consistent basis throughout the periods involved. The supporting schedules, if any, included therein present fairly, in all material respects, in accordance with GAAP the information required to be stated therein.

(vi) Interactive Data. The execution, delivery and performance of the Operative Documents and the Securities by the Company, the issuance, sale and delivery of the Securities, the consummation of the transactions contemplated by the Operative Documents and the Securities and in the Registration Statement, the Prospectus and the Disclosure Package (including the use of the proceeds from the sale of the Securities), and compliance by the Company with the terms of the Operative Documents and the Securities have been duly authorized by all necessary corporate action on the part of the Company, and do not and will not, whether with or without the giving of notice or passage of time or both, (1) violate, conflict with or constitute a breach of, or default or Repayment Event (as defined below) under, or result in the creation or imposition of any, security interest, mortgage, pledge, lien, charge, encumbrance, claim or equitable right upon any assets of the Company or its Bank Subsidiary pursuant to, any of the Agreements and Instruments, (2) result in any violation of any provision of the charter, bylaws or other organizational document of the Company or its Bank Subsidiary or (3) result in any violation by the Company or its Bank Subsidiary of any applicable law, statute, rule, regulation, judgment, order, writ or decree of any Governmental Entity, except in the case of clauses (1) and (3), as would not, individually or in the aggregate, result in a Material Adverse Effect. None of the Company, its subsidiaries or any ERISA Affiliate has incurred any unpaid liability to the Pension Benefit Guaranty Corporation (other than for the payment of premiums in the ordinary course) or to any such plan under Title IV of ERISA, except where such unpaid liability would not result in a Material Adverse Effect. No prohibited transaction, within the meaning of Section 406 of ERISA or Section 4975 of the Code, has occurred with respect to any such plan, excluding transactions effected pursuant to a statutory or administrative exemption, that could reasonably be expected to result in a material liability to the Company and its subsidiaries taken as a whole. “ERISA Affiliate” means a corporation, trade or business that is, along with the Company or any subsidiary, a member of a controlled group of corporations or a controlled group of trades or businesses, as described in Section 414 of the Code or Section 4001 of ERISA.

The Company and the Bank Subsidiary have no knowledge of any facts and circumstances, and have no reason to believe that any facts or circumstances exist, that could cause the Bank Subsidiary (A) to be deemed not to be in satisfactory compliance with the CRA and the regulations promulgated thereunder or to be assigned a CRA rating by federal or state banking regulators of lower than “satisfactory,” or (B) to be deemed to be operating in violation, in any material respect, of the Bank Secrecy Act of 1970 as amended by the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct

The Company and its subsidiaries are in compliance with the terms and conditions of all such Governmental Licenses, except where the failure so to comply would not, individually or in the aggregate, have a Material Adverse Effect. All of the Governmental Licenses are valid and in full force and effect, except when the invalidity of such Governmental Licenses or the failure of such Governmental Licenses to be in full force and effect would not, individually or in the aggregate, have a Material Adverse Effect. None of the Company or any of its subsidiaries has received any written notice of proceedings relating to the revocation or modification of any such Governmental Licenses which would, individually or in the aggregate, reasonably be expected to have a Material Adverse Effect.

(xxviii) Conduct of Business. Except as otherwise disclosed in the Registration Statement, the Prospectus and the Disclosure Package, each of the Company and the Bank Subsidiary is conducting its business in compliance with all laws, rules, regulations, decisions, directives and orders, and all regulations and orders of, or agreements with, Governmental Entities applicable to it, except where failure to so comply would not, individually or in the aggregate, have a Material Adverse Effect.

(xxix) **Environmental Matters.** Each of the Company and its subsidiaries are in compliance with all applicable federal, state and local laws, rules and regulations, and decisions and orders relating to the protection of human health and safety, the environment or hazardous or toxic substances or wastes, pollutants or contaminants, including, without limitation, those applicable to emissions to the environment, waste management and waste disposal (collectively, the “**Environmental Laws**”), except where such noncompliance would not, individually or in the aggregate, have a Material Adverse Effect, and, to the knowledge of the Company, there are no circumstances that would prevent, interfere with or materially increase the cost of such compliance in the future. There is no claim under any Environmental Law, including common law, pending or, to the knowledge of the Company, threatened against the Company or any of its subsidiaries (an “**Environmental Claim**”), which would have a Material Adverse Effect, and, to the knowledge of the Company, under applicable law, there are no past or present actions, activities, circumstances, events or incidents, including without limitation, releases of any material into the environment, that are reasonably likely to form the basis of any Environmental Claim against the Company or the Bank Subsidiary which would, individually or in the aggregate, have a Material Adverse Effect.

All of the leases and subleases under which the Company or any of its subsidiaries holds properties used in its business are in full force and effect, except where the failure of such leases and subleases to be in full force and effect would not, individually or in the aggregate, have a Material Adverse Effect. None of the Company or any of its subsidiaries has any notice of any claim of any sort that has been asserted by anyone adverse to the rights of the Company or any of its subsidiaries under any of the leases or subleases mentioned above, or affecting or questioning the rights of such entity to the continued possession of the leased or subleased premises under any such lease or sublease, except any claim that would not, individually or in the aggregate, have a Material Adverse Effect.

(xxxi) **Intellectual Property.** Each of the Company and its subsidiaries owns or possesses all necessary and adequate patents, patent rights, licenses, inventions, copyrights, know-how (including trade secrets and other unpatented and/or unpatentable proprietary or confidential information, systems or procedures), trademarks, service marks, trade names or other intellectual property (collectively, “**Intellectual Property**”) presently employed by it in connection with the business now operated by it or reasonably necessary in order to conduct such business, and none of the Company or any of its subsidiaries has received any notice or is otherwise aware of any infringement of or conflict with asserted rights of others with respect to any Intellectual Property or any facts or circumstances which would render any Intellectual Property invalid or inadequate to protect the interest of the Company or any of its subsidiaries therein, except where the failure to possess such Intellectual Property or where such infringement or conflict (if the subject of any unfavorable decision, ruling or finding) or invalidity or inadequacy, individually or in the aggregate, would not have a Material Adverse Effect.

(xxxii) Taxes. The Company and each Significant Subsidiary has: (1) timely (after taking account of any governmental orders extending the time for filing) filed all tax returns, information returns, and similar reports that are required to be filed and all such returns are true, correct and complete, and (2) timely paid in full all federal, state, local and foreign taxes required to be paid by it and any other assessment, fine or penalty levied against it, except to the extent any such tax, assessment, fine or penalty that is currently being contested in good faith and for which adequate reserves have been made under GAAP, except where the failure to timely file such tax returns or to timely pay such tax, assessment, fine or penalty would not, individually or in the aggregate, result in a Material Adverse Effect. Giving effect to any applicable extensions and except as otherwise disclosed in the Registration Statement, the Prospectus and the Disclosure Package, there is no material tax deficiency that has been, or could reasonably be expected to be, asserted against the Company or the Bank Subsidiary or any of their respective assets.

(xxxiii) Insurance. The Company and the Bank Subsidiary have insurance covering their respective assets, operations, personnel and businesses, including business interruption insurance, which insurance is in such amounts and insures against such losses and risks as are adequate to protect the Company and the Bank Subsidiary and their respective assets, operations, personnel and businesses; and neither the Company nor the Bank Subsidiary has (i) received notice from any insurer or agent of such insurer that capital improvements or other expenditures are required or necessary to be made in order to continue such insurance or (ii) any reason to believe that it will not be able to renew its existing insurance coverage as and when such coverage expires or to obtain similar coverage at reasonable cost from similar insurers as may be necessary to continue its business.

Any certificate signed by any duly authorized officer of the Company or any of its subsidiaries and delivered to the Representatives or to counsel for the Underwriters shall be deemed a representation and warranty by the Company or the applicable subsidiary, as the case may be, to the Representatives as to the matters covered thereby.

SECTION 2. Sale and Delivery to Underwriters; Closing.

On the basis of the representations and warranties herein contained and subject to the terms and conditions herein set forth, the Company agrees to sell to each Underwriter, severally and not jointly, and each Underwriter, severally and not jointly, agrees to purchase from the Company, the aggregate principal amount of the Securities set forth opposite the name of such Underwriter on Schedule I hereto, at a purchase price equal to 98.75% of the aggregate principal amount thereof.

Delivery of the Securities shall be made at the offices of Skadden, Arps, Slate, Meagher & Flom LLP, One Manhattan West, 395 9th Ave, New York, New York 10001, or such other place as may be agreed to by the Representatives and the Company, and payment of the purchase price for the Securities shall be made by the Representatives to the Company by wire transfer of immediately available funds contemporaneous with closing at such place as shall be agreed upon by the Representatives and the Company, no later than 10:00 a.m. (New York City time) on May 7, 2026 or such other time not later than ten (10) business days after such date as shall be agreed upon by the Representatives and the Company (such time and date of payment and delivery being herein called the “**Closing Time**”).

It is understood that each Underwriter has authorized the Representatives, for its account, to accept delivery of, receipt for, and make payment of the purchase price for, the Securities which it has agreed to purchase. KBW and Stephens, individually and not as Representatives of the Underwriters, may (but shall not be obligated to) make payment of the purchase price for the Securities to be purchased by any Underwriter whose funds have not been received by the Closing Time, but such payment shall not relieve such Underwriter from its obligations hereunder.

Payment for the Securities purchased by the Underwriters shall be made to the Company by wire transfer of immediately available funds to a bank designated by the Company, against delivery to the Representatives for the respective accounts of the Underwriters of one or more global notes representing the Securities (collectively, the “**Global Note**”) to be purchased by the Underwriters. The Securities represented by the Global Note shall be in such denominations and registered in such names as the Representatives may request in writing at least one (1) full business day prior to the Closing Time. The Global Note shall be made available for examination by the Representatives not later than 10:00 a.m. (New York City time) on the business day prior to the Closing Time.

In performing its duties under this Agreement, the Underwriters shall be entitled to rely upon any notice, signature or writing that the Underwriters shall in good faith believe to be genuine and to be signed or presented by a proper party or parties. The Underwriters may rely upon any opinions or certificates or other documents delivered by the Company or its counsel or designees to them.

SECTION 3. Covenants of the Company. The Company covenants with the Underwriters as follows:

(a) *Compliance with Securities Regulations and Commission Requests.* Prior to the completion of the distribution of the Securities as contemplated in this Agreement (which the Representatives will promptly confirm orally to the Company), the Company will notify the Representatives promptly, and confirm the notice in writing, (i) when any post-effective amendment to the Registration Statement or a new registration statement relating to the Securities shall become effective, or any amendment or supplement to the Disclosure Package or the Prospectus or any amended Prospectus shall have been used or filed, (ii) of the receipt of any comments with respect to the Registration Statement from the Commission, (iii) of any request by the Commission for any amendment to the Registration Statement or the filing of a new registration statement or any amendment or supplement to the Disclosure Package or the Prospectus or any document incorporated therein by reference or otherwise deemed to be a part thereof or for additional information, (iv) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or such new registration statement or of any order preventing or suspending the use of any preliminary prospectus or the Prospectus, or of the suspension of the qualification of the Securities for offering or sale in any jurisdiction, or of the initiation or threatening of any proceedings for any of such purposes or of any examination pursuant to Section 8(e) of the 1933 Act concerning the Registration Statement and (v) if the Company becomes the subject of a proceeding under Section 8A of the 1933 Act. With respect to

the Securities, subject to Section 3(e), the Company will comply with the requirements of Rule 430B, will prepare the Prospectus in the form approved by the Representatives, will effect the filings required under Rule 424(b) in the manner and within the time period specified therein (without reliance on Rule 424(b)(8)) and will take such steps as it deems necessary to ascertain promptly whether the Prospectus transmitted for filing under Rule 424(b) under the 1933 Act Regulations was received for filing by the Commission and, in the event that it was not, it will promptly file such Prospectus. The Company will use its commercially reasonable efforts to prevent the issuance of any stop order or other order and, if any stop order or other order is issued, to obtain the lifting thereof as soon as possible. The Company shall pay the required filing fees of the Commission relating to the Securities within the time required by Rule 456(b)(1)(i) of the 1933 Act Regulations without regard to the proviso therein and otherwise in accordance with Rules 456(b) and 457(r) of the 1933 Act Regulations.

(b) *Delivery of Registration Statements.* The Company will furnish to each Underwriter and counsel for the Underwriters, on request without charge, signed or conformed copies of the Registration Statement and of each amendment thereto (including exhibits filed therewith or incorporated by reference therein and documents incorporated or deemed to be incorporated by reference therein or otherwise deemed to be a part thereof) and signed or conformed copies of all consents and certificates of experts. The copies of the Registration Statement and each amendment thereto furnished to the Representatives will be identical to the electronically transmitted copies thereof filed with the Commission pursuant to EDGAR, except to the extent permitted by Regulation S-T.

(c) *Delivery of Prospectuses.* The Company has delivered to each Underwriter, without charge, as many copies of each preliminary prospectus as such Underwriter reasonably requested, and the Company hereby consents to the use of such copies for purposes permitted by the 1933 Act. The Company will furnish to each Underwriter, without charge, during the period when a prospectus is required to be delivered under the 1933 Act, such number of copies of the Prospectus (as amended or supplemented) as such Underwriter may reasonably request, unless, with the prior consent of the Representatives, such delivery requirement can be satisfied by the provisions of Rule 172 of the 1933 Act Regulations. The Prospectus and any amendments or supplements thereto furnished to the Underwriters will be identical to the electronically transmitted copies thereof filed with the Commission pursuant to EDGAR, except to the extent permitted by Regulation S-T.

(d) *Notice and Effect of Material Events.* The Company will comply with the 1933 Act, the 1933 Act Regulations, the 1934 Act, the 1934 Act Regulations, the 1939 Act and the 1939 Act Regulations, as applicable, so as to permit the completion of the distribution of the Securities as contemplated in this Agreement and in the Registration Statement, the Disclosure Package and the Prospectus. Prior to the completion of the distribution of the Securities by the Underwriters, the Company will immediately notify the Representatives, and confirm such notice in writing, of (x) any filing made by the Company of information relating to the offering of the Securities with any securities exchange or any other regulatory body in the United States, and (y) any event or condition that results or is reasonably likely to result in a Material Adverse Change, which (i) makes any statement in the Registration Statement, the Disclosure Package or the Prospectus false or misleading or (ii) which is not disclosed in the Registration Statement, the Disclosure Package or the Prospectus. If, at any time when a prospectus is required by the 1933 Act to be delivered in connection with sales of the Securities, any event shall occur or condition shall exist as a result of

which it is necessary, in the reasonable opinion of the Company, its counsel, the Representatives or counsel to the Underwriters, to amend or supplement the Registration Statement or the Prospectus in order that the Prospectus not include any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein in the light of the circumstances existing at the time it is delivered to purchasers not misleading, or if for any other reason it shall be necessary, in the reasonable opinion of the Company, its counsel, the Representatives or counsel to the Underwriters, during such period to amend the Registration Statement or to file a new registration statement or to amend or supplement any preliminary prospectus or the Prospectus to comply with the 1933 Act or the 1933 Act Regulations, the Company will forthwith amend the Registration Statement, file such registration statement and/or amend or supplement such preliminary prospectus or the Prospectus, subject to Section 3(e), so as to correct such untrue statement or omission or effect such compliance, and the Company will furnish to each Underwriter such number of written and electronic copies of such amendment or supplement as such Underwriter may reasonably request. If at any time following the Applicable Time or at any time following the issuance of an Issuer Free Writing Prospectus, any event shall occur or condition shall exist as a result of which the Disclosure Package or such Issuer Free Writing Prospectus, individually or together with other information that is part of the Disclosure Package, as the case may be, conflicted or would conflict with the information contained in the Registration Statement or any other registration statement relating to the Securities or included or would include an untrue statement of a material fact or omitted or would omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances prevailing at that subsequent time, not misleading, the Company will promptly notify the Representatives and will promptly amend or supplement, at the Company's own expense, the Disclosure Package or such Issuer Free Writing Prospectus, as the case may be, to eliminate or correct such conflict, untrue statement or omission.

(e) *Amendment to Prospectus or Registration Statement.* The Company will advise the Representatives promptly of any notice of its intention to file or prepare any amendment to the Registration Statement or a new registration statement relating to the Securities or any amendment or supplement to any preliminary prospectus or the Prospectus or supplement to the Disclosure Package, and will furnish the Representatives with copies thereof a reasonable amount of time prior to such proposed filing or use, as the case may be, and will not file or use any such document with respect to the Securities without the consent of the Representatives, which consent shall not be unreasonably withheld. Neither the consent of the Representatives, nor the Representatives' delivery of any such amendment or supplement, shall constitute a waiver of any of the conditions set forth in Section 5 hereof. For purposes of clarity, this Section 3(e) shall not apply to any filings required in order for the Company to comply with its reporting obligations under the 1934 Act or the 1934 Act Regulations.

(f) *No Stabilization.* The Company will not take, directly or indirectly, any action designed to, or that would reasonably be expected to, cause or result in any stabilization or manipulation of the price of the Securities.

(g) *DTC.* The Company will cooperate with the Underwriters and use its commercially reasonable efforts to permit the Securities to be eligible for clearance, settlement and trading through the facilities of DTC.

(h) *Blue Sky Compliance.* The Company will qualify the Securities for offer and sale under the state securities, or blue sky, laws of such jurisdictions as the Representatives shall reasonably request and will continue such qualifications in effect so long as required for the offering and resale of the Securities; provided that the Company shall not be required to (i) qualify as a foreign corporation or other entity or as a dealer in securities in any such jurisdiction where they would not otherwise be required to so qualify, (ii) file any general consent to service of process in any such jurisdiction or (iii) subject themselves to taxation in any such jurisdiction if they are not otherwise so subject. The Company will also supply the Underwriters with such information as is necessary for the determination of the legality of the Securities for investment under the laws of such jurisdiction as the Underwriters may request.

(i) *Further Obligations.* In the event the Company, at any time, or from time to time, shall not have sufficient funds to promptly pay in full any amount then due and payable pursuant to Section 6 of this Agreement to any indemnified person, the Company shall promptly take such commercially reasonable actions that do not require prior regulatory approval to obtain sufficient funds to pay such amount. If the funds obtained from such actions shall not be sufficient to pay such amount in full (a “**Deficiency**”), the Company shall promptly take all such further commercially reasonable actions, including obtaining all required regulatory approvals for the Bank Subsidiary to pay a dividend to the Company in the amount of the Deficiency. The Company shall pay the Deficiency to the extent that regulatory authorities approve a dividend from the Bank Subsidiary to the Company, provided that if the dividends from the Bank Subsidiary to the Company are insufficient to pay the Deficiency to any indemnified person, the Company shall remain obligated to (i) pay such Deficiency and (ii) use its commercially reasonable efforts to obtain such additional regulatory approvals for the Bank Subsidiary to pay additional dividends to the Company until the Company has paid the Deficiency in full to any indemnified person.

(j) *Earnings Statement.* The Company shall timely file such reports pursuant to the 1934 Act as are necessary in order to make generally available to its securityholders as soon as practicable an earnings statement for the purposes of, and to provide the benefits contemplated by, the last paragraph of Section 11(a) of the 1933 Act.

(k) *Reporting Requirements.* The Company, during the period when a prospectus is required to be delivered under the 1933 Act (including in circumstances where such requirement may be satisfied, with the prior consent of the Representatives, by Rule 172 under the 1933 Act Regulations), will file all documents required to be filed with the Commission by the Company pursuant to the 1934 Act within the time periods required by the 1934 Act and the 1934 Act Regulations.

(l) *Use of Proceeds.* The Company will use the net proceeds received by it from the sale of the Securities as described in the Registration Statement, the Prospectus and the Disclosure Package under “Use of Proceeds.”

(m) *Stand Off Agreement.* Between the date of this Agreement and the Closing Time, the Company and its subsidiaries will not, without the prior consent of the Representatives, directly or indirectly, issue, offer or sell, or enter into any agreement to sell, any debt securities (excluding deposit obligations) of the Company or its subsidiaries, other than the Securities.

(n) *Issuer Free Writing Prospectuses.* The Company represents and agrees that, unless it obtains the prior written consent of the Representatives, and each Underwriter represents and agrees that, unless it obtains the prior written consent of the Company and the Representatives, it has not made and will not make any offer relating to the Securities that would constitute an “issuer free writing prospectus” (as defined in Rule 433) or that would otherwise constitute a “free writing prospectus” (as defined in Rule 405) required to be filed with the Commission. Any such free writing prospectus consented to by the Company and the Representatives is referred to herein as a “Permitted Free Writing Prospectus.” The Company represents that it has treated, and agrees that it will treat, each Permitted Free Writing Prospectus as an “issuer free writing prospectus” (as defined in Rule 433(h)(i)) and has complied and will comply with the requirements of Rule 433 applicable to any Permitted Free Writing Prospectus, including timely filing with the Commission where required, legending and record keeping.

Subject to the consent of the Representatives required in the immediately preceding paragraph, the Company will prepare a final term sheet relating solely to the final pricing terms of the Securities and will file such final term sheet within the period required by Rule 433(d)(5)(ii) following the date such final terms have been established for such Securities. Any such final term sheet is an Issuer General Use Free Writing Prospectus and a Permitted Free Writing Prospectus for purposes of this Agreement. Notwithstanding anything to the contrary contained herein, the Company consents to the use by any Underwriter of a free writing prospectus that contains only (a) (i) information describing the preliminary terms of the Securities generally or the Securities specifically or their offering or (ii) information that describes the final terms of the Securities or their offering and that is or is to be included in the final term sheet of the Company contemplated in the first sentence of this paragraph or (b) other customary information that is not “issuer information,” as defined in Rule 433.

(o) *NRSRO Rating.* The Company will use commercially reasonable efforts to maintain a rating by a “nationally recognized statistical rating organization” as defined in Section 3(a)(62) of the 1934 Act (“**NRSRO**”) while any Securities remain outstanding.

SECTION 4. Payment of Expenses.

(a) *Expenses.* The Company will pay all expenses incident to the performance of its obligations under this Agreement, including (i) the preparation, printing and filing of the Registration Statement (including financial statements and exhibits) and of each amendment thereto and the cost of obtaining all securities and bank regulatory approvals; (ii) the printing and delivery to the Underwriters of copies of each preliminary prospectus, any Permitted Free Writing Prospectus and the Prospectus and any amendments or supplements thereto and any reasonable and documented costs associated with electronic delivery of any of the foregoing by the Underwriters to investors; (iii) the costs of blue sky qualification (including fees and expenses of Skadden, Arps, Slate, Meagher & Flom LLP, blue sky counsel to the Underwriters, relating thereto) of the Securities in the various jurisdictions; (iv) the costs, fees and expenses incurred by the Underwriters in connection with determining their compliance with the rules and regulations of FINRA related to the Underwriters’ participation in the offering and distribution of the Securities, including any related filing fees and reasonable legal fees of, and disbursements by, counsel to the Underwriters; (v) all fees and disbursements of the Company’s counsel, accountants, agents and other advisors; (vi) the preparation, issuance and delivery of the certificates for the Securities, including filing fees and the fees and expenses of making the Securities eligible for clearance, settlement and trading through the facilities of DTC; (vii) the fees and disbursements of the Trustee and its counsel; (viii) the costs and expenses of the Company relating to marketing and

syndication, including investor presentations on any “road show” undertaken in connection with the marketing of the Securities; (ix) any fees payable in connection with the rating of the Securities; (x) all fees and expenses incurred by the Underwriters in connection with their services to be rendered hereunder including, without limitation, road show or investor presentation expenses, word processing charges, the costs of printing or producing any investor presentation materials, messenger and duplicating service expenses, facsimile expenses and other customary expenditures; and (xi) the reasonable legal fees and expenses (including fees and disbursements of the counsel for the Underwriters), and the travel expenses that are incurred by the Underwriters. Notwithstanding the foregoing, the Company’s obligation to reimburse the Underwriters’ fees and expenses pursuant to Sections 4(a), (iv), (x) and (xi) shall be limited to an aggregate amount of \$258,774. In the event any Underwriter incurs any such fees and expenses on behalf of the Company, the Company will reimburse such Underwriter for such reasonable and documented fees and expenses whether or not the transactions contemplated hereby are consummated. It is understood, however, that, except as provided in this Section, Sections 6, 9 and 10(c) hereof, the Underwriters will pay all of their own costs and expenses, including transfer taxes on resale of any of the Securities by them and the cost of preparing and distributing any term sheet prepared by any Underwriter.

(b) *Termination*. If this Agreement is terminated by the Representatives in accordance with the provisions of Section 5(o), Section 9(a)(i) or Section 10(c) hereof, the Company shall reimburse the Underwriters for all of their out-of-pocket expenses, including the reasonable and documented fees and disbursements of counsel for the Underwriters.

SECTION 5. Conditions of Underwriters’ Obligations. The obligations of the several Underwriters hereunder are subject to the accuracy of the representations and warranties of the Company contained in Section 1 hereof or in certificates of any officer of the Company or any of its subsidiaries delivered pursuant to the provisions hereof, to the performance by the Company of its obligations hereunder required to be performed prior to Closing Time, and to the following further conditions:

(a) *Filing of Prospectus*. The Prospectus containing the Rule 430B Information shall have been filed with the Commission in the manner and within the time period required by Rule 424(b) (without reliance on Rule 424(b)(8)) (or a post-effective amendment providing such information shall have been filed and become effective in accordance with the requirements of Rule 430B); all materials required to be filed by the Company pursuant to Rule 433(d) under the 1933 Act shall have been filed with the Commission within the applicable time period prescribed for such filing by Rule 433 under the 1933 Act. The Registration Statement is effective and no stop order or other order referred to in Section 3(a)(iv) hereof shall have been issued and no proceeding for that purpose shall have been initiated or are pending or threatened; and all requests for additional information on the part of the Commission shall have been complied with to the Representatives’ satisfaction.

(b) *Opinion of Counsel for Company*. At the Closing Time, the Representatives shall have received the favorable opinions in substantially the form annexed hereto as Annex A of Phelps Dunbar LLP, counsel for the Company, in form and substance reasonably satisfactory to counsel for the Underwriters. (e) *Independent Auditors' Comfort Letter.* At the time of the execution of this Agreement, the Representatives shall have received a letter from BDO USA, P.C., dated such date, in form and substance reasonably satisfactory to the Underwriters, containing statements and information of the type ordinarily included in accountants' "comfort letters" to underwriters with respect to the financial statements and financial and accounting information included in the Registration Statement, the Prospectus and the Disclosure Package and the specified date referred to therein shall be a date not more than two (2) business days prior to the date of this Agreement.

(f) *Bring-down Comfort Letter.* At the Closing Time, the Representatives shall have received from BDO USA P.C. a letter, dated the Closing Time, to the effect that they reaffirm the statements made in the letter furnished pursuant to subsection (e) of this Section, except that the specified date referred to therein shall be a date not more than two (2) business days prior to the Closing Time.

(g) *Certificate of Chief Financial Officer.* At the time of execution of this Agreement and at the Closing Time, the Representatives shall have received a certificate, dated, respectively, the date hereof and such Closing Time, executed by the Chief Financial Officer of the Company, in form and substance satisfactory to the Representatives.

(h) *Ratings.* At the Closing Time, the Securities will be rated at least BBB by Kroll Bond Rating Agency, Inc. Subsequent to the execution of this Agreement, there shall not have occurred a downgrading in or withdrawal of the rating assigned to the Securities or any other securities of the Company by any NRSRO, and no such organization shall have publicly announced that it has under surveillance or review, or has changed its outlook with respect to, its rating of the Securities or any other securities of the Company (other than an announcement with positive implications of a possible upgrading).

(i) *DTC*. At the Closing Time, the Securities shall be eligible for clearance, settlement and trading through the facilities of DTC.

(j) *No Objection*. If applicable, FINRA shall have raised no objection with respect to the fairness and reasonableness of the underwriting terms and arrangements, which objection has not been withdrawn or otherwise satisfied.

(k) *Delivery of Prospectus*. The Company shall have complied with the provisions hereof with respect to the furnishing of prospectuses, in electronic or printed format, on the New York business day next succeeding the date of this Agreement.

(l) *No Legal Impediment to Issuance*. No action shall have been taken and no statute, rule, regulation or order shall have been enacted, adopted or issued by any Governmental Entity that would, as of the Closing Time, prevent the offer, issuance or sale of the Securities; and no injunction or order of any federal, state or foreign court shall have been issued that would, as of the Closing Time, prevent the issuance or sale of the Securities.

(n) *Additional Documents*. At the Closing Time, counsel for the Underwriters shall have been furnished with such documents and opinions as they may require for the purpose of enabling them to pass upon the issuance and sale of the Securities as herein contemplated, or in order to evidence the accuracy of any of the representations or warranties of the Company or the fulfillment of any of the conditions herein contained; and all proceedings taken by the Company in connection with the issuance and sale of the Securities as herein contemplated shall be satisfactory in form and substance to the Representatives and counsel for the Underwriters.

(o) *Termination of Agreement*. If any condition specified in this Section shall not have been fulfilled when and as required to be fulfilled, this Agreement may be terminated by the Representatives by notice to the Company at any time at or prior to the Closing Time, and such termination shall be without liability of any party to any other party except as provided in Section 4 hereof and except that Sections 1, 6, 7, 8 and 15 hereof shall survive any such termination and remain in full force and effect.

SECTION 6. Indemnification.

(a) *Indemnification of Underwriters*. The Company agrees to indemnify and hold harmless each Underwriter, their respective affiliates (as such term is defined in Rule 405 of the 1933 Act Regulations), partners, directors, officers, employees and agents and each person, if any, who controls (within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act) any Underwriter (each such person, a “**controlling person**”):

(i) against any and all loss, liability, claim, damage and expense whatsoever, as incurred, arising out of (A) any untrue statement or alleged untrue statement of a material fact included in the Registration Statement (or any amendment thereto) or the omission or alleged omission therefrom of a material fact required to be stated therein or necessary to make the statements therein not misleading or (B) any untrue statement or alleged untrue statement of a material fact included in any preliminary prospectus, the Disclosure Package, the Prospectus or any Issuer Free Writing Prospectus, or any amendment or supplement thereto, or the omission or alleged omission therefrom of a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(ii) against any and all loss, liability, claim, damage and expense whatsoever, as incurred, to the extent of the aggregate amount paid in settlement of any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or of any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission; provided that (subject to Section 6(d) hereof) any such settlement is effected with the written consent of the Company; and

(iii) against any and all expense whatsoever, as incurred (including the fees and disbursements of counsel chosen by the Representatives), reasonably incurred in investigating, preparing or defending against any litigation, or any investigation or proceeding by or before any governmental agency or body, commenced or threatened, or any claim whatsoever based upon any such untrue statement or omission, or any such alleged untrue statement or omission, to the extent that any such expense is not paid under (i) or (ii) above;

provided, however, that this indemnity agreement shall not apply to any loss, liability, claim, damage or expense to the extent arising out of any untrue statement or omission or alleged untrue statement or omission made in reliance upon and in conformity with written information furnished to the Company by the Underwriters through the Representatives expressly for inclusion in any preliminary prospectus, any Issuer Free Writing Prospectus or the Prospectus (or any amendment or supplement thereto) and the parties hereto agree that such information consists only of the following: the discount and commission information appearing in the Prospectus under the heading “Underwriting (Conflicts of Interest)” and the information relating to over-allotment, stabilizing transactions and syndicate covering transactions in the first paragraph under the caption “Underwriting (Conflicts of Interest) —Stabilization” in each of the preliminary prospectus and the Prospectus (collectively, the “**Underwriters’ Information**”).

(b) *Indemnification of Company, Directors and Officers.* Each Underwriter, severally and not jointly, agrees to indemnify and hold harmless the Company, its directors, each of its officers who signed the Registration Statement and each person, if any, who controls the Company within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act against any and all loss, liability, claim, damage and expense described in the indemnity contained in Section 6(a) above, as incurred, but only with respect to, arising out of or based on untrue statements or omissions, or alleged untrue statements or omissions, made in the Registration Statement, any preliminary prospectus, any Issuer Free Writing Prospectus or the Prospectus in conformity with the Underwriters’ Information provided by such Underwriter.

(c) *Actions against Parties; Notification.* Each indemnified party shall give notice as promptly as reasonably practicable to each indemnifying party of any action commenced against it in respect of which indemnity may be sought hereunder, but failure to so notify an indemnifying party shall not relieve such indemnifying party from any liability hereunder to the extent it is not materially prejudiced as a result thereof, and in any event shall not relieve it from any liability which it may have otherwise than on account of this indemnity agreement. An indemnifying party may participate at its own expense in the defense of any such action or, if it so elects within a reasonable time after receipt of such notice, to assume the defense of any suit brought to enforce

any such claim; but if it so elects to assume the defense, such defense shall be conducted by counsel chosen by it and approved by the indemnified parties, which approval shall not be unreasonably withheld, conditioned or delayed. In the event that an indemnifying party elects to assume the defense of any such suit and retain such counsel, the indemnified party or parties shall bear the fees and expenses of any additional counsel thereafter retained by such indemnified party or parties; provided, however, that the indemnified party or parties shall have the right to employ counsel (in addition to local counsel) to represent the indemnified party or parties who may be subject to liability arising out of any action in respect of which indemnity may be sought against the indemnifying party if, (i) the employment of such counsel shall have been authorized in writing by one of the indemnifying parties in connection with the defense of such action, (ii) the indemnifying parties shall not have employed counsel to have charge of the defense of such action within a reasonable time after notice of commencement of the action, or (iii) in the reasonable judgment of outside counsel for the indemnified party or parties, there may be legal defenses available to such indemnified person which are different from or in addition to those available to such indemnifying person, in which event the reasonable fees and expenses of appropriate separate counsel shall be borne by the indemnifying party. In no event shall the indemnifying parties be liable for fees and expenses of more than one counsel (in addition to any local counsel) separate from their own counsel for all indemnified parties in connection with any one action or separate but similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances. No indemnifying party shall, without the prior written consent of the indemnified parties (which consent shall not be unreasonably withheld, conditioned or delayed), settle or compromise or consent to the entry of any judgment with respect to any litigation, or any investigation or proceeding by or before any governmental agency or body, commenced or threatened, or any claim whatsoever in respect of which indemnification or contribution could be sought under this Section 6 or Section 7 hereof (whether or not the indemnified parties are actual or potential parties thereto), unless such settlement, compromise or consent (i) includes an unconditional release of each indemnified party from all liability arising out of such litigation, investigation, proceeding or claim and (ii) does not include a statement as to or an admission of fault, negligence, culpability or a failure to act by or on behalf of any indemnified party.

(d) *Settlement without Consent if Failure to Reimburse.* If at any time an indemnified party shall have validly requested an indemnifying party to reimburse the indemnified party for fees and expenses of counsel, such indemnifying party agrees that it shall be liable for any settlement of the nature contemplated by Section 6(a)(ii) effected without its written consent if (i) such settlement is entered into more than 60 days after receipt by such indemnifying party of the aforesaid request, (ii) such indemnifying party shall have received notice of the terms of such settlement at least 45 days prior to such settlement being entered into and (iii) such indemnifying party shall not have reimbursed such indemnified party in accordance with such request prior to the date of such settlement.

SECTION 7. Contribution. In order to provide for just and equitable contribution in circumstances under which the indemnification provided for in Section 6 hereof is for any reason held to be unavailable to an indemnified party or insufficient in respect of any losses, liabilities, claims, damages or expenses referred to therein, then each indemnifying party shall contribute to the aggregate amount of such losses, liabilities, claims, damages and expenses incurred by such indemnified party, as incurred, (i) in such proportion as is appropriate to reflect the relative benefits received by the Company, on the one hand, and the Underwriters, on the other hand, from the

offering of the Securities pursuant to this Agreement or (ii) if the allocation provided by clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the Company, on the one hand, and the Underwriters, on the other hand, in connection with the statements or omissions which resulted in such losses, liabilities, claims, damages or expenses, as well as any other relevant equitable considerations.

The relative benefits received by the Company, on the one hand, and the Underwriters, on the other hand, in connection with the offering of the Securities pursuant to this Agreement shall be deemed to be in the same respective proportions as the total net proceeds from the offering of the Securities pursuant to this Agreement (before deducting expenses) received by the Company and the total underwriting discounts and commissions received by the Underwriters, in each case as set forth on the cover of the Prospectus, bears to the aggregate initial offering price of the Securities as set forth on the cover of the Prospectus.

The relative fault of the Company, on the one hand, and the Underwriters, on the other hand, shall be determined by reference to, among other things, whether any such untrue or alleged untrue statements of a material fact or omission or alleged omission to state a material fact relates to information supplied by the Company or by the Underwriters and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

The Company and the Underwriters agree that it would not be just and equitable if contribution pursuant to this Section 7 were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation which does not take account of the equitable considerations referred to above in this Section 7. The aggregate amount of losses, liabilities, claims, damages and expenses incurred by an indemnified party and referred to above in this Section 7 shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in investigating, preparing or defending against any litigation, or any investigation or proceeding by any governmental agency or body, commenced or threatened, or any claim whatsoever based upon any such untrue or alleged untrue statement or omission or alleged omission.

Notwithstanding the provisions of this Section 7, no Underwriter shall be required to contribute any amount in excess of the amount by which the total underwriting discounts and commissions received by it exceeds the amount of any damages which such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission.

No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the 1933 Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation.

For purposes of this Section 7, each person, if any, who controls an Underwriter within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act and the respective partners, directors, officers, employees and agents of such Underwriter or any such controlling person shall have the same rights to contribution as such Underwriter, while each director of the Company, each officer of the Company who signed the Registration Statement, and each person, if any, who controls the Company within the meaning of Section 15 of the 1933 Act or Section 20 of the 1934 Act shall have the same rights to contribution as the Company. The obligations of the Underwriters in this Section 7 to contribute are several in proportion to their respective underwriting obligations and not joint.

SECTION 8. Representations, Warranties and Agreements to Survive Delivery. All representations, warranties and agreements contained in this Agreement or in certificates of officers of the Company or its subsidiaries submitted pursuant hereto shall remain operative and in full force and effect, regardless of any investigation made by or on behalf of any Underwriter or controlling person, or by or on behalf of the Company, and shall survive delivery of the Securities to the Underwriters.

SECTION 9. Termination of Agreement.

(a) *Termination; General.* The Representatives may terminate this Agreement, by notice to the Company, at any time at or prior to the Closing Time if, in the reasonable judgement of the Representatives, since the time of execution of this Agreement or since the respective dates as of which information is given in the Registration Statement, Disclosure Package or the Prospectus, (i) there has occurred any Material Adverse Effect, (ii) there has occurred any material adverse change in the financial markets in the United States, any outbreak of hostilities or escalation thereof or any other calamity or crisis, including a widespread outbreak of epidemic illnesses, or any change or development involving a prospective change in national political, financial or economic conditions, in each case the effect of which is such as to make it, in the judgment of the Representatives, impracticable or inadvisable to proceed with the completion of the offering of the Securities on the terms and in the manner contemplated in the Registration Statement, the Prospectus and the Disclosure Package or to enforce contracts for the sale of the Securities, (iii) trading or quotation in any securities of the Company has been suspended or limited by the Commission or by the New York Stock Exchange, or if trading generally on the New York Stock Exchange or the Nasdaq Global Select Market has been suspended or limited, or minimum or maximum prices for trading have been fixed, or maximum ranges for prices have been required, by any of said exchanges or by such system or by order of the Commission, FINRA or any other governmental authority, (iv) there has occurred a downgrading in or withdrawal of the rating assigned to the Securities or any other securities of the Company by any NRSRO, or such organization has publicly announced that it has under surveillance or review, or has changed its outlook with respect to, its rating of the Securities or any other securities of the Company, or (v) a banking moratorium has been declared by the United States, New York or Mississippi authorities or a material restriction on banking activities or operations by such regulatory authorities or a material disruption has occurred in commercial banking or securities settlement and clearances services in the United States.

(b) *Liabilities.* If this Agreement is terminated pursuant to this Section, such termination shall be without liability of any party to any other party except as provided in Section 4 hereof, and provided further that Sections 1, 6, 7, 8 and 15 hereof shall survive such termination and remain in full force and effect.

SECTION 10. Defaulting Underwriter.

(a) If, at the Closing Time, any Underwriter defaults on its obligation to purchase the Securities that it has agreed to purchase hereunder, the Representatives may in their discretion but in any event within 36 hours after such default, arrange for the purchase of such Securities by other persons satisfactory to the Company on the terms contained in this Agreement. If other persons become obligated or agree to purchase the Securities of a defaulting Underwriter within such 36-hour period, either the Representatives or the Company may postpone the Closing Time for up to five (5) full business days in order to effect any changes that in the opinion of counsel for the Company or counsel for the Underwriters may be necessary in Registration Statement, the Prospectus, Disclosure Package or in any other document or arrangement, and the Company agrees to promptly prepare any amendment or supplement to the Registration Statement, the Prospectus or Disclosure Package that effects any such changes. As used in this Agreement, the term "Underwriter" includes, for all purposes of this Agreement unless the context otherwise requires, any person not listed in Schedule I hereto that, pursuant to this Section 10, purchases Securities that a defaulting Underwriter agreed but failed to purchase.

(b) If, after giving effect to any arrangement for the purchase of the Securities of a defaulting Underwriter or Underwriters by the Representatives and the Company as provided in paragraph (a) above, the aggregate principal amount of such Securities that remains unpurchased does not exceed 10% of the aggregate principal amount of all of the Securities, then the Company shall have the right to require each non-defaulting Underwriter to purchase the aggregate principal amount of Securities that such Underwriter agreed to purchase hereunder plus such Underwriter's pro rata share (based on the aggregate principal amount of Securities that such Underwriter agreed to purchase hereunder) of the Securities of such defaulting Underwriter or Underwriters for which such arrangement has not been made.

(c) If, after giving effect to any arrangements for the purchase of the Securities of a defaulting Underwriter or Underwriters by the non-defaulting Underwriter and the Company as provided in paragraph (a) above, the aggregate principal amount of such Securities that remains unpurchased exceeds 10% of the aggregate principal amount of all of the Securities, or if the Company shall not exercise the right described in paragraph (b) above, then this Agreement shall terminate without liability on the part of the non-defaulting Underwriters. Any termination of this Agreement pursuant to this Section 10 shall be without liability on the part of the Company, except that the Company will continue to be liable for the payment of expenses as set forth in Section 4 hereof and except that the provisions of Sections 1, 6, 7, 8 and 15 hereof shall not terminate and shall remain in effect.

(d) Nothing contained herein shall relieve a defaulting Underwriter of any liability it may have to the Company or any non-defaulting Underwriter for damages caused by its default.

SECTION 11. Notices. All notices and other communications hereunder shall be in writing and shall be deemed to have been duly given if mailed or transmitted by any standard form of telecommunication. Notices to the Underwriters shall be directed to the Representatives care of (i) Keefe, Bruyette & Woods, Inc. at 787 Seventh Avenue, 4th Floor, New York, New York 10019, e-mail: USCapitalMarkets@kbw.com, and (ii) Stephens Inc. at 111 Center Street, Suite 100, Little Rock, Arizona 72201, Attention: A. SECTION 12. Parties. This Agreement shall inure to the benefit of and be binding upon each Underwriter, the Company and their respective successors. Nothing expressed or mentioned in this Agreement is intended or shall be construed to give any person, firm or corporation, other than the Underwriters, the Company and their respective successors and the controlling persons and other persons referred to in Sections 1, 6 and 7 hereof and their heirs and legal representatives, any legal or equitable right, remedy or claim under or in respect of this Agreement or any provision herein contained. This Agreement and all conditions and provisions hereof are intended to be for the sole and exclusive benefit of the Underwriters, the Company and their respective successors, and said controlling persons and other persons and their heirs and legal representatives, and for the benefit of no other person, firm or corporation. This Underwriting Agreement may be executed in any number of counterparts and by the parties hereto in separate counterparts, and signature pages may be delivered by electronic means, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

(a) In the event that any Underwriter that is a Covered Entity becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer from such Underwriter of this Agreement, and any interest and obligation in or under this Agreement, will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if this Agreement, and any such interest and obligation, were governed by the laws of the United States or a state of the United States.

(b) In the event that any Underwriter that is a Covered Entity or a BHC Act Affiliate of such Underwriter becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under this Agreement that may be exercised against such Underwriter are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if this Agreement were governed by the laws of the United States or a state of the United States.

SECTION 15. GOVERNING LAW; JURISDICTION. THIS AGREEMENT AND ANY CLAIM, CONTROVERSY OR DISPUTE ARISING UNDER OR RELATED TO THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO CONFLICT OF LAW PRINCIPLES OF SAID STATE OTHER THAN SECTION 5-1401 OF THE NEW YORK GENERAL OBLIGATIONS LAW.

THE COMPANY ON BEHALF OF ITSELF AND ITS SUBSIDIARIES HEREBY IRREVOCABLY SUBMITS TO THE EXCLUSIVE JURISDICTION OF THE FEDERAL AND NEW YORK STATE COURTS LOCATED IN THE CITY OF NEW YORK IN CONNECTION WITH ANY SUIT, ACTION OR PROCEEDING RELATED TO THIS AGREEMENT OR ANY OF THE MATTERS CONTEMPLATED HEREBY, IRREVOCABLY WAIVES ANY DEFENSE OF LACK OF PERSONAL JURISDICTION AND IRREVOCABLY AGREES THAT ALL CLAIMS IN RESPECT OF ANY SUIT, ACTION OR PROCEEDING MAY BE HEARD AND DETERMINED IN ANY SUCH COURT. SECTION 17. Trial by Jury. In rendering this opinion, we have examined and relied upon originals, or photostatic, scanned/mailed or certified (or otherwise satisfactorily identified) copies, of the Registration Statement (including the exhibits attached thereto), the Base Prospectus, the Prospectus Supplement, the Underwriting Agreement, the Indenture, the Global Note representing the Notes, the Issuer-Represented Free Writing Prospectuses relating to the Company dated May 4, 2026 and filed with the Commission pursuant to Rule 433 of the rules and regulations of the Commission, used by the Company in connection with the offering, issuance and sale of the Notes and the Amended and Restated Articles of Incorporation of the Company, as amended through the date hereof, and the Amended and Restated Bylaws of the Company, as amended through the date hereof. We have also examined and relied upon originals, or photostatic, scanned/mailed or certified (or otherwise satisfactorily identified) copies, of such other records of the Company, certificates of officers of the Company and other agreements, documents and instruments and have examined such questions of law as we have deemed relevant and necessary as the basis for the opinions set forth below.

In such examination, we have assumed the genuineness of all signatures appearing on all documents, the legal capacity of all natural persons signing such documents, the authenticity of all documents submitted to us as originals, the conformity to original documents of all documents submitted to us as certified, conformed, photostatic or scanned/mailed copies, the accuracy and completeness of all corporate records made available to us by the Company, and the truth and accuracy of all facts set forth in all certificates provided to or examined by us. Based upon the foregoing and representations made to us by officers of the Company, and subject to the limitations, qualifications, exceptions and assumptions set forth herein, we are of the opinion that, insofar as the laws of the State of Mississippi are concerned, (i) the Company is duly organized, validly existing and in good standing under the laws of the State of Mississippi and has all requisite corporate power, authority and legal right to execute, deliver and perform its obligations under the Indenture and the Notes, as applicable, and (ii) the Notes and the Indenture have been duly authorized, executed and delivered by the Company.

With respect to all matters of New York law, we note that you are relying on an opinion of Skadden, Arps, Slate, Meagher & Flom LLP, dated as of even date herewith, which opinion is filed as Exhibit 5.2 to the Company's Current Report on Form 8-K, which is incorporated by reference in the Registration Statement.

The opinions expressed above regarding good standing do not extend to, and we express no opinion as to, whether the Company is in "tax good standing" as to the payment of or filings related to taxes of the State of Mississippi (as opposed to filings relating to its entity status with the Mississippi Secretary of State).

The opinion expressed above regarding due execution and delivery of the Notes and Indenture by the Company is based upon our review of copies of executed signature pages for the Company provided to us by others purportedly present at the closing of the transactions contemplated by or related to the Notes and Indenture. This opinion is delivered for use solely in connection with the issuance of the Notes, in the transactions contemplated by the Registration Statement, the Base Prospectus, the Prospectus Supplement and the Underwriting Agreement, and may not be used, circulated, quoted or otherwise relied upon for any other purpose without our express written consent. This letter expresses our legal opinion as to the foregoing matters based on our professional judgment at this time; it is not, however, to be construed as a guaranty, nor is it a warranty that a court considering such matters would not rule in a manner contrary to the opinion set forth above.

We hereby consent to the filing of this opinion letter as Exhibit 5.1 to the Company's Current Report on Form 8-K dated May 7, 2026, which is incorporated by reference in the Registration Statement, and to being named in the Registration Statement under the heading "Legal Matters" as the law firm which passed on the validity of the Notes. In giving this consent, we do not admit that we are within the category of persons whose consent is required under Section 7 of the Securities Act and the rules and regulations of the Commission promulgated thereunder.

Very truly yours,

Re: Renasant Corporation
6.25% Fixed-to-Floating Rate Subordinated Notes due June 1, 2036

Ladies and Gentlemen:

We have acted as special United States counsel to the Underwriters (as defined below) in connection with Renasant Corporation, a Mississippi corporation (the "Company")'s, public offering of \$300,000,000 aggregate principal amount of the Company's 6.25% Fixed-to-Floating Rate Subordinated Notes due 2036 (the "Notes") to be issued under the Subordinated Indenture, dated as of August 22, 2016 (the "Base Indenture"), as supplemented by the fifth supplemental indenture, dated as of May 7, 2026 (the "Fifth Supplemental Indenture") and, together with the Base Indenture, the "Indenture"), between the Company and Wilmington Trust, National Association, as trustee (in such capacity, the "Trustee").

This opinion letter is being furnished in accordance with the requirements of Item 601(b)(5) of Regulation S-K under the Securities Act of 1933 (the "Securities Act").

In rendering the opinion stated herein, we have examined and relied upon the following:

In our examination, we have assumed the genuineness of all signatures, including electronic signatures, the legal capacity and competency of all natural persons, the authenticity of all documents submitted to us as originals, the conformity to original documents of all documents submitted to us as facsimile, electronic, certified or photocopied copies, and the authenticity of the originals of such copies. As to any facts relevant to the opinion stated herein that we did not independently establish or verify, we have relied upon statements and representations of officers and other representatives of the Company and others and of public officials, including the factual representations and warranties contained in the Underwriting Agreement.

Based upon the foregoing and subject to the qualifications and assumptions stated herein, we are of the opinion that when duly authenticated by the Trustee and issued and delivered by the Company against payment therefor in accordance with the terms of the Underwriting Agreement and the Indenture, the Note Certificate will constitute valid and binding obligation of the Company, enforceable against the Company in accordance with its terms under the laws of the State of New York.

The opinion stated herein is subject to the following assumptions and qualifications:

(a) we do not express any opinion with respect to the effect on the opinion stated herein of any bankruptcy, insolvency, reorganization, moratorium, fraudulent transfer, preference and other similar laws or governmental orders affecting creditors' rights generally, and the opinion stated herein is limited by such laws and governmental orders and by general principles of equity (regardless of whether enforcement is sought in equity or at law);

(b) we do not express any opinion with respect to any law, rule, regulation or order that is applicable to any party to any of the Transaction Documents or the transactions contemplated thereby solely because such law, rule, regulation or order is part of a regulatory regime applicable to any such party or any of its affiliates as a result of the specific assets or business operations of such party or such affiliates;

(c) except to the extent expressly stated in the opinion contained herein, we have assumed that each of the Transaction Documents constitutes the valid and binding obligation of each party to such Transaction Document, enforceable against such party in accordance with its terms;

(d) we do not express any opinion with respect to the enforceability of any provision contained in any Transaction Document relating to any indemnification, contribution, non-reliance, exculpation, release, limitation or exclusion of remedies, waiver or other provisions having similar effect that may be contrary to public policy or violative of federal or state securities laws, rules, regulations or orders, or to the extent any such provision purports to waive or alter, or has the effect of waiving or altering, any statute of limitations;

(e) we do not express any opinion whether the execution or delivery of any Transaction Document by the Company, or the performance by the Company of its obligations under any Transaction Document will constitute a violation of, or a default under, any covenant, restriction or provision with respect to financial ratios or tests or any aspect of the financial condition or results of operations of the Company or any of its subsidiaries;

(f) the opinion stated herein is limited to the agreements and documents specifically identified in the opinion contained herein (the “Specified Documents”) without regard to any agreement or other document referenced in any Specified Document (including agreements or other documents incorporated by reference or attached or annexed thereto) and without regard to any other agreement or document relating to any Specified Document that is not a Transaction Document;

(g) this opinion letter shall be interpreted in accordance with customary practice of United States lawyers who regularly give opinions in transactions of this type;

(h) subsequent to the effectiveness of the Indenture and immediately prior to the effectiveness of the Fifth Supplemental Indenture, the Indenture has not been amended, restated, supplemented or otherwise modified in any way that affects or relates to the Note Certificate other than by the applicable Transaction Documents relating to such Notes;

(i) we do not express any opinion with respect to the enforceability of Section 7.03 of the Indenture to the extent that such section purports to bind the Company to the exclusive jurisdiction of any particular federal court or courts;

(j) we call to your attention that irrespective of the agreement of the parties to any Transaction Document, a court may decline to hear a case on grounds of forum non conveniens or other doctrine limiting the availability of such court as a forum for resolution of disputes; in addition, we call to your attention that we do not express any opinion with respect to the subject matter jurisdiction of the federal courts of the United States of America in any action arising out of or relating to any Transaction Document; and

(k) to the extent that any opinion relates to the enforceability of the choice of New York law and choice of New York forum provisions contained in any Transaction Document, the opinion stated herein is subject to the qualification that such enforceability may be subject to, in each case, (i) the exceptions and limitations in New York General Obligations Law Sections 5-1401 and 5-1402 and (ii) principles of comity and constitutionality.

In addition, in rendering the foregoing opinion we have also assumed that, at all applicable times:

(a) the Company (i) was duly incorporated and was validly existing and in good standing, (ii) had requisite legal status and legal capacity under the laws of the jurisdiction of its organization and (iii) has complied and will comply with all aspects of the laws of the jurisdiction of its organization in connection with the transactions contemplated by, and the performance of its obligations under, the Transaction Documents;

(b) the Company had the corporate power and authority to execute, deliver and perform all its obligations under each of the Transaction Documents;

(c) each of the Transaction Documents had been duly authorized, executed and delivered by all requisite corporate action on the part of the Company;

(d) neither the execution and delivery by the Company of the Transaction Documents nor the performance by the Company of its obligations thereunder, including the issuance and sale of the Notes contemplated thereby: (i) conflicted or will conflict with the certificate of incorporation, bylaws, or any other comparable organizational document of the Company, (ii) constituted or will constitute a violation of, or a default under, any lease, indenture, agreement or other instrument to which the Company or its properties are subject (except that we do not make the assumption set forth in this clause (ii) with respect to those agreements and instruments expressed to be governed by the laws of the State of New York which are listed in Part II of the Registration Statement or the Company's Annual Report on Form 10-K for the year ended December 31, 2025), (iii) contravened or will contravene any order or decree of any governmental authority to which the Company or its properties are subject, or (iv) violated or will violate any law, rule or regulation to which the Company or its properties are subject (except that we do not make the assumption set forth in this clause (iv) with respect to the Opined-on Law); and

(e) neither the execution and delivery by the Company of the Transaction Documents nor the performance by the Company of its obligations thereunder, including the issuance and sale of the Notes, required or will require the consent, approval, licensing or authorization of, or any filing, recording or registration with, any governmental authority under any law, rule or regulation of any jurisdiction.

Forward-looking statements include information about the Company’s future financial performance, business strategy, projected plans and objectives and are based on the current beliefs and expectations of management. Management of the Company believes these forward-looking statements are reasonable, but they are all inherently subject to significant business, economic and competitive risks and uncertainties, many of which are beyond the Company’s control. Prospective investors are cautioned that any such forward-looking statements are not guarantees of future performance and involve risks and uncertainties and, accordingly, investors should not place undue reliance on these forward-looking statements, which speak only as of the date they are made.

Important factors currently known to management that could cause the Company’s actual results to differ materially from those in forward-looking statements include the following: (i) the Company’s ability to efficiently integrate acquisitions into its operations, retain the customers of these businesses, grow the acquired operations and realize the cost savings expected from an acquisition to the extent and in the timeframe anticipated by management (including the possibility that such cost savings will not be realized when expected, or at all, as a result of the impact of, or challenges arising from, the integration of the acquired assets and assumed liabilities into the Company, potential adverse reactions or changes to business or employee relationships, or as a result of other unexpected factors or events); (ii) potential exposure to unknown or contingent risks and liabilities the Company has acquired or may acquire; (iii) the effect of economic conditions and interest rates on a national, regional or international basis; (iv) timing and success of the implementation of changes in operations to achieve enhanced earnings or effect cost savings; (v) the Company’s ability to remediate the material weakness in its internal control over financial reporting identified in the Company’s Annual Report on Form 10-K for the fiscal year ended December 1, 2025 filed with the SEC on March 2, 2026; (vi) competitive pressures in the consumer finance, commercial finance, financial services, asset management, retail banking, factoring, mortgage lending and auto lending industries; (vii) the financial resources of, and products available from, competitors; (viii) changes in laws and regulations as well as changes in accounting standards; (ix) changes in governmental and regulatory policy, whether applicable specifically to

financial institutions or impacting the United States generally (such as, for example, changes in trade policy); (x) changes in the securities and foreign exchange markets; (xi) the Company's potential growth, including its entrance or expansion into new markets, and the need for sufficient capital to support that growth; (xii) changes in the quality or composition of the Company's loan or investment portfolios, including adverse developments in borrower industries or in the repayment ability of individual borrowers or issuers of investment securities, or the impact of interest rates on the value of the Company's investment securities portfolio; (xiii) an insufficient allowance for credit losses as a result of inaccurate assumptions; (xiv) changes in the sources and costs of the capital the Company uses to make loans and otherwise fund its operations due to deposit outflows, changes in the mix of deposits and the cost and availability of borrowings; (xv) general economic, market or business conditions, including the impact of inflation; (xvi) changes in demand for loan and deposit products and other financial services; (xvii) concentrations of deposit or credit exposure; (xviii) changes or the lack of changes in interest rates, yield curves and interest rate spread relationships; (xix) losses resulting from fraudulent activity, including loan and deposit fraud and social engineering attacks targeting the Company's customers, employees and third party vendors; (xx) increased cybersecurity risk, including potential network breaches, business disruptions or financial losses, including as a result of sophisticated attacks using artificial intelligence ("AI") and similar tools; (xxi) civil unrest, natural disasters, epidemics and other catastrophic events in or near the Company's geographic area; (xxii) geopolitical conditions, including acts or threats of terrorism and actions taken by the United States or other governments in response to acts or threats of terrorism and/or military conflicts, which could impact business and economic conditions in the United States and abroad; (xxiii) the impact, extent and timing of technological changes, including the rapid development of AI technologies; and (xxiv) other circumstances, many of which are beyond management's control.
